

We are now offering Denplan Care and Essentials; two excellent monthly payment plans to all existing and new dental patients. Denplan monthly plans are an excellent way to budget for your preventative private dental care. With schemes starting from as little as 21p per day, they are also very affordable!

What are the benefits of Denplan?

- Flexible appointment times; early mornings and late evenings
- Greater choice of dental materials
- Local out-of-hours emergency dental service
- Discount when multiple family members join up
- Denplan 24hour help line and worldwide insurance for dental emergencies and accidents

Special Offers

Join Denplan on the day of your new patient examination and get your new patient examination free ! (normally £50)

Teeth whitening £250 (normally £300) for all Denplan Patients

Please ask our friendly reception team for more information

Staff Changes

We are excited to welcome dentist Dr Victoria Andrews to our dental team. Victoria Andrews who comes to us from another local practice will be replacing Dr Rohini Patel who leaves us to open her own dental practice. I am sure all her patients will join all the team here at Broadway in wishing Rohini the greatest of success and happiness in her new venture. Victoria Andrews will be taking over all of Rohini Patel's patients from the beginning of June..

Broadway Dental Surgery

Discretionary Charge for patients who fail to attend or cancel (within 24 hours) private hygiene and dental appointments

Due to the increasing number of failed and late cancelled private appointments, Broadway Dental Surgery reserve the right to charge a discretionary fee to those patients who fail to attend their private hygiene or dental appointment or cancel their appointment on the day. Please ensure that you give at least 24 hours notice when you cancel your private hygiene or dental appointment to ensure that the appointment may be given to another patient.
